

## COUNCIL STILL WRESTLES WITH ESTIMATES

Considerable Pruning Required To  
Keep Tax Rate Down To Figure  
Of Last Year

With all the members of the Council in attendance, the regular session on Monday evening was a lengthy one lasting until 11 o'clock, considerable time being taken up with general discussion of the estimates and the probable tax rate necessitated by the growing pains of the rapidly increasing city and the crying demand for various public requirements.

### Empire Parliamentary Association Returns Thanks

The following resolution of thanks was received from the Dominion of Canada Branch, Empire Parliamentary Association having been passed at the annual meeting of that body, held in the Parliament Building, Ottawa, on March 21st:

"The Empire Parliamentary Association, Dominion of Canada Branch, at its annual meeting held on March 21st, 1929, desires to express its deep gratitude to the authorities of the City of Kelowna for the material assistance given in entertaining and imparting knowledge to the delegates from Great Britain and the Dominions who visited Canada as guests of the Association in August, September and October, 1928."

### Missing Cheque Replaced

The Secretary of the Pacific Great Eastern Railway forwarded a cheque for \$3,231.41, interest due on bonds held in the Sinking Fund of the City, to replace a previous cheque which went astray in the mails.

### Minister Of Education To Visit Kelowna

A letter from Hon. J. Hinchliffe, Minister of Education, addressed to the City Clerk, stated that he would be in Kelowna on April 29th and that he would be glad if a joint meeting could be arranged between the City Council and the School Board at which he might be present, in order that he might obtain such suggestions and advice on the subject of taxation for school purposes, which was receiving a great deal of attention at this time, as the members of the Council and the Board could supply.

It was arranged to hold a joint meeting of the Council and School Board in the Council Chamber at 4 p.m. on April 29th.

In connection with the visit of Hon. Mr. Hinchliffe, the Board of Trade wrote to the effect that he was to be entertained to dinner by that body on the evening of April 29th, and the Council was requested to change the date of their regular meeting so as to permit their members to attend.

### New Agricultural Society

A letter from Mr. T. G. Norris, solicitor, stated that he was acting for the Kelowna Fair Association, recently incorporated to promote the interests of agriculture in the district, particularly by conducting fairs. It would take the place of the Kelowna Agricultural Society, which had recently assigned for the benefit of its creditors in an effort to insure a fair distribution of assets which it possessed. The new society wished to obtain a lease of the fair grounds and buildings and generally to obtain the same privileges that had been granted to the former body. It was suggested that a lease for five years at a nominal rental of \$1.00 a year should be satisfactory to all concerned. The Council saw no objection to compliance with this request, and the City Clerk was instructed to have a lease prepared.

A long letter from the Department of National Defence in regard to Kelowna's airport was referred to Ald. Jones for examination and report at next meeting.

### Applications For Grants

An application was received from the Kelowna Radio Association for a grant in aid of publicity for Kelowna through its broadcasting activities.

Alderman Rattenbury and Morrison expressed approval of a grant for the purpose, and a resolution was passed awarding \$100 for the Association in the estimates.

The Board of Trade made application for the customary grant of \$1,000 for publicity and entertainment purposes. Provision had been made already in the estimates for a grant to the Board, but Ald. McDonald suggested that the Board might be asked to try to do with a smaller sum than last year, in view of the need of keeping down the tax rate.

### Poundkeeper's Report

Mr. J. Powick, Poundkeeper, reported that during the period following March 29th two horses had been impounded, both of which were claimed by their owners and the fees paid.

### Only Two Tenders For Debutures

Although some fifty invitations to tender for city debentures had been sent out to financial firms, the response was very disappointing, only two bids being received, and at figures involving a considerable discount from par value.

The total amount of the debentures at par is \$94,000, being \$1,000 balance unsold under Fire Apparatus By-Law, \$7,000 balance unsold under Hospital Aid By-Law, \$20,000 for waterworks extension and \$66,000 for school construction. For these, Victor W. Odum & Co. bid at the rate of 93.35 and accrued interest, and Penberton & Son, 92.02.

## KEEN INTEREST IN GOLF COMPETITIONS

Forty-Four Players Entered In Spring  
Handicaps

With golf enthusiasts rapidly getting back to form, the 1929 season promises to be one of activity for the Kelowna Golf Club. Interest in the competitions has already been evidenced by the large turnout of members, forty-four golfers having entered in the Spring Handicaps now being played. Weather conditions are becoming ideal for golf, and it is expected that larger entries will feature the various events scheduled to follow the Spring Handicaps.

On Good Friday the President versus Vice-President competition was played, in which about fifty players entered. The prize winners were as follows: Messrs. M. H. Lee, C. Quinn, C. Owen, E. O. MacGinnis and Mrs. J. H. Broad.

A match against par was held on Monday, April 1st, which was won by Mr. A. M. Crawford.

On Thursday and Saturday last the qualifying round for the Spring Handicaps was played. This competition has been divided into three flights and, when the rounds are concluded and the winners of each flight determined, a playoff will ensue for the trophy to be awarded. Special prizes will also be given to the winners of the flights which are vanquished in the playoff. Each round must be completed within a week. A prize for the medalist (best score by strokes) was won by Mr. R. B. Staples.

The first round for the Barnes Cup will be played on Thursday, April 25th, entries for which close on Sunday next. Pentiont golfers will compete with the Kelowna club on Sunday in the first match for the Horn-Latta Cup, which will be played on the local links.

The returned match for the Cup will be staged at Pentiont early in September. Players not competing for the Horn-Latta Cup on Sunday will be given the opportunity to engage in club matches.

### Ald. Rattenbury, chairman of the Finance Committee, reported that the market for bonds was very dull at present, and it was decided to take no hasty action in the matter, if funds could be raised by temporary bank loan against security of the debentures pending an expected improvement in the situation.

### By-Laws

Three By-Laws for the sale of City-owned lots received reconsideration and final passage, including No. 499, selling Lot 49, R.P. 413 to Dr. A. W. Lehman, at \$100, No. 500, granting to Mrs. Mary H. B. Lupton an option to purchase Lot 1, Map 1406, at a price of \$300, and No. 501, disposing of Lot 57, R.P. 1037, to Mr. Emilio Guidi, at \$100.

### Domestic Water For Glenmore

Councillors J. C. Clarke and E. W. Ferguson, of Glenmore Municipality, Mr. R. W. Corner, Municipal Clerk, and Mr. W. R. Trench waited on the Council as a deputation in regard to extension of the Glenmore water supply to the City of Kelowna. It was decided that the City might be run out to the Cemetery. "Reeve Cushing was also to have been a member of the deputation, but he was unable to attend until they had concluded their business and had departed.

Councillor Clarke acted as spokesman, outlining the Glenmore plan to utilize the Kelowna system for supply of water to the southern portion of the municipality. It was proposed to supply about fifteen families at the outset. If Kelowna would meter the water at the point of delivery to the municipality, Glenmore would handle the distribution to consumers.

City Engineer Blakeborough recommended that the point of delivery of water also be electric current, if received by the municipal boundary. Glenmore to undertake all details of distribution.

Mayor Sutherland said the matter of extension of Kelowna public utilities was one that would require careful investigation, as the bond market was not good and, if construction was provided out of current revenue, the taxes would be affected. The City had no franchise to extend any of its services beyond its boundaries.

Councillor Clarke enquired whether Glenmore could give Kelowna a franchise, to which the City Clerk replied that such action would necessitate a vote of the ratepayers, both in Glenmore and Kelowna.

The Mayor suggested that the Council figure out rates for water and light at their meeting in committee and advise the Glenmore Council by letter of the result.

This was satisfactory to Councillor Clarke.

Mr. Trench enquired if there was not a possibility of the Shuswap Falls power line being extended from Vernon southwards to supply the rural districts.

Mr. Blakeborough replied that it would not pay to do so unless Kelowna took some of the power.

The deputation thanked the Council and withdrew.

### Sewerage Connection For Chinatown

Ald. Gordon reported that the Mayor and he, as a result of a visit to Chinatown, had decided that that area should have sewer connection on the local improvement plan, and they had succeeded in getting a petition for that purpose signed by all the property owners concerned, except in regard to the mission hall, signatures in connection with which would have to be secured in Vancouver. The cost of installing the connection was estimated at \$3,100. The Chinese had also promised to co-operate in the Clean-Up Week Campaign.

The Mayor pointed out that in other cases the cost of sewers came out of

## CLEAN-UP WEEK SCHOOL ESSAY COMPETITION

Names Of Public School Pupils In  
Various Grades Who Wrote The  
Best Compositions

Juvenile interest in Clean-up Week (April 18th to 24th) has been stimulated by an essay contest recently conducted by Principal C. J. Frederickson in the Kelowna Public School. The names of the pupils who wrote the best essays in the various grades are subjoined.

"The children displayed the keenest interest in the essay competition," said the Principal, "and the object of Clean-up Week is attained so far as the schools are concerned. If the parents display as keen an interest as the pupils, Kelowna will certainly put on its best clothes this spring."

Prizes will be awarded to the upper grades for the best posters re Clean-up Week, and the names of the winners will be announced next week.

The following students contributed the best essays:

Grade II, Division 17: 1, Dorothy Dunn; 2, Helen Jansen. Division 16: 1, Lillian Smithers; 2, Jimmie Clement. Division 15: 1, Andrew Akman; 2, Connie Harvey.

## MARKETING ACT IS BEING ENFORCED

Committee Of Direction Secures  
Convictions In Four Cases Tried In  
Boundary And Kootenay

Kelowna, April 16, 1929. Community of Universal Brotherhood, Ltd., of Kelowna, April 16, 1929. The Interior Committee of Direction, returned on Monday from the Boundary and Kootenay Districts, where he was in attendance at four trials in connection with infractions or evasions of the Produce Marketing Act. Two of these were for shipping without a licence from the Interior Committee of Direction. In one case a fine of \$10.00 and \$47.50 costs was imposed; in the other case the fine was \$5.00 and costs \$85.00.

Decision was also given in two additional cases against the Christian Community of Universal Brotherhood, Ltd., for its refusal to submit its records for inspection. In one of these a fine of \$500.00 and costs, totalling \$525, was imposed and in the other a fine of \$300.00 and costs, totalling \$330.00, was likewise imposed. An appeal in these two cases is being taken from the Magistrate to the County Court. Six convictions have now been obtained by the Interior Committee against this organization.

It is the intention of the Interior Committee, during 1929, to follow up vigorously all cases of infractions of the Produce Marketing Act, since sufficient time has now elapsed to permit all growers and shippers to become familiar with its main requirements as to licensing, levies, etc.

### BRIDGE DRIVE UNDER AUSPICES OF I.O.O.F.

Substantial Sum Realized For Jack  
McMillan Bursary Fund

A bridge drive, held under the auspices of the Jack McMillan Chapter of the I.O.O.F., in the rotunda of the Royal Anne Hotel on Saturday afternoon, April 6th, was an outstanding success. A large number attended, and the Jack McMillan Bursary Fund, to which the proceeds were added, was substantially increased.

During the afternoon, tea was served by Mrs. A. J. Hughes and Mrs. B. Brown, assisted by various members of the Chapter and Mrs. J. H. Broad, the assistance of the latter being much appreciated by the hostesses.

Mrs. G. France and Mrs. P. P. Corrigan were conveners for the bridge and Mrs. A. C. Poole and Mrs. F. R. E. DeHart acted as assistant hostesses.

The prize winners were as follows: first prize, Mrs. G. A. McKay; second prize, Mrs. Thomas Hulme; third prize, Mrs. Bay Burne. The prizes were donated by Mrs. T. Pitt, Mrs. J. H. Trenwith and Mrs. S. M. Simpson.

Keen interest in the play was maintained throughout and the delightful atmosphere of the new hotel contributed to the pleasure of an enjoyable social afternoon.

## DEADLOCK ON TOMATO PRICES CONTINUES

Renewal Of Negotiations With Dom-  
inion Canners (B.C.), Ltd., Proves  
Barren Of Results

A special meeting of the B. C. Tomato Growers' Association was held in the office of the Association on Wednesday morning, which was attended by Mr. H. Hollos, of the Dominion Canners (B. C.), Ltd., Vancouver, with the object in view of arriving at a price agreement for the 1929 crops. No agreement was reached, however, between the canner representative and the growers, with the result that the price deadlock still continues.

No invitation was extended to the press to attend the meeting, but The Courier has been advised that two offers were submitted by Mr. Hollos on behalf of the Dominion Canners for the consideration of the Association. One offer is based on sliding scale prices, similar to methods employed in the sale of fruit by contract in California, whereby a minimum price is set with the stipulation that prices in excess of the minimum are to be paid when market conditions warrant the action. The minimum price set by Dominion Canners is \$16.50 per ton for tomatoes suitable for canning purposes. The second offer made by the canners states a fixed price of \$17.50 per ton for all varieties.

In view of the fact that, at a special general meeting of the B. C. Tomato Growers' Association, held in Kelowna on March 15th, it was decided to stick to prices of \$18.50 per ton for Earliana and \$20.50 for smooth varieties, the Dominion Canners' offers of lower prices were refused.

In an interview with Mr. Hollos on Wednesday afternoon, he told a Courier representative that the offers made to the Association were, from the viewpoint of the canner, liberal, and he was of the opinion further that the prices stipulated therein would return a fair profit to the grower.

"We have signed up growers on the Main Line at \$16.50 per ton," said Mr. Hollos, "and these growers do not consider they are losing money. Competitive canners in Ontario are buying tomatoes at \$13.50 a ton, as against our \$16.50, and they have the advantage of freight rates west to Winnipeg lower than exist from British Columbia to the prairie city."

Mr. Hollos intimated that Dominion Canners were considering the advisability of discontinuing their activities in the South Okanagan, and that they were thinking seriously of moving their plants to the Main Line if a deal with the growers could not soon be culminated. He added that the two offers made to the Association that morning still held good, and that the prices set forth therein were the highest the canners would pay for tomatoes this year.

Mr. Hollos emphatically denied a statement made by Mr. G. Mabe, of Oliver, at the last general meeting of the Association to the effect that he (Mr. Hollos) had endeavored to make "a secret deal with Oliver." He said that this was not true and that a retraction of the statement would be requested.

### ONION POOL CLOSED BY EXCHANGE

Net Return To Co-operative Growers  
\$47.85 Per Ton After Deduction  
Of Handling Charges

The Kelowna Growers' Exchange has closed the Onion Pool which was opened on September 1st, 1928, and continued till all onions were shipped. The net return to all growers interested was \$47.85 per ton, after deducting local handling charges of \$1.75 per ton and Associated Growers' selling charge of \$1.75 per ton.

It is expected that a rebate on handling charges will be made from the Associated Growers which will be passed on to growers as soon as possible.

The total quantity in the pool was 2,800 tons, of which the Kelowna Growers' Exchange shipped 1,912 tons. The average price for the season of all onions shipped by the Kelowna Growers' Exchange worked out to \$46.54 per ton. This price is considerably better than that paid for several years past.

### INQUEST ADJOURNED IN KOOTENAY KILLING

CRESTON, B.C., Apr. 18.—By request of Inspector Forbes Cruickshanks of the Provincial Police, Col. Mallandaine, the Coroner, yesterday again adjourned the inquest on the death of Thomas Midgley until April 24th.

Inspector Cruickshanks and Chief Constable Geminon of Nelson have discovered that the bedding found on the murdered man's bed did not consist of the mattress and spreads used by Midgley on the night during which he was shot through the heart while asleep.

Police are dragging the river at the spot where the body, weighted by a pall of gravel, was found. They hope to locate the mattress and perhaps the bullet that killed Midgley.

### COMMISSIONER FOR KELOWNA POLICE ENQUIRY

Lindley Crease, K.C., Of Victoria,  
To Conduct Investigation

VICTORIA, Apr. 18.—Lindley Crease, K.C., has been named a Commissioner for the purpose of investigating certain charges made by members of the Provincial Police against members of the City Police of Kelowna in a drug case. Mr. Crease will act as sole commissioner in making the investigation.

The matter is one that arose out of certain proceedings instituted against Chinese in Kelowna charged with trafficking in opium, contrary to the Criminal Code. At that time the Royal Canadian Mounted Police and the Provincial force were active in bringing the alleged culprits to justice.

Differences arose which resulted in Provincial Constable "Corrigan" making a charge that the police of the city were not only assisting the suspects but were interfering with the other forces concerned in the carrying out of the proper ends of justice.

### CIVIL WAR RAGES IN AFGHANISTAN

CALCUTTA, Apr. 18.—Reports received yesterday from Kabul stated that severe fighting was going on at Shaikabad, forty miles from the capital of Afghanistan. The forces engaged are those of former King Amanullah, who is seeking to regain the throne which he gave up, and the army of Bacha-Sachao, "Water Boy of North," who took the throne from Amanullah's brother. The casualties are said to be heavy, the hospitals at Kabul being crowded.

### ORANGE LEADER DIES AT OTTAWA

OTTAWA, Apr. 18.—Hon. Dr. J. W. Edwards, Conservative M.P. for Frontenac-Addington, one of the most prominent Orangemen in Canada, died suddenly early this morning after he had been removed to hospital following a recurrence of a heart attack that had affected him earlier in the week.

At the news today of the death of Hon. J. W. Edwards, A. W. Neill, M.P. for Comox-Alberni, was seized with a fainting spell and had to be removed to his apartment. His condition is not serious.

### MAY TEST PROHIBITION MEASURE IN ILLINOIS

SPRINGFIELD, Ill., Apr. 18.—By a vote of 18 to 15, the Judiciary Committee of the Illinois House of Representatives yesterday recommended the adoption of a resolution calling upon Attorney-General to institute a test case against the Eighteenth Amendment in the U. S. Supreme Court.

The resolution, setting up that by the Eighteenth Amendment the States gave Congress power to legislate for control of sale and distribution of liquor used for beverage purposes, seeks to test whether the delegation of power to Congress includes liquor used as medicine or sacramental wine, and liquor used for other non-beverage purposes, such as industrial alcohol.

### LITTLE PRINCESS HELPS KING GEORGE GET WELL

LONDON, Apr. 18.—As was anticipated by the Queen, the visit of little Princess Elizabeth to her royal grandfather has worked wonders in restoring the King to convalescence.

## KELOWNA HOSPITAL MONTHLY REPORT

Many Offers Of Help In Laying Out  
Grounds

During the month of March 107 patients were treated at the Hospital for a total of 898 days treatment. Of these, 44 were city patients, treated 431 days, and 63, treated 467 days, were from outside the city. There were ten births at the Hospital during the month, and three deaths occurred.

The Board wish to gratefully acknowledge the following donations: Anonymous, \$25; Dr. G. E. Seon, \$10; Mr. M. P. Williams, \$5; and magazines from the Canadian Legion and many other friends.

It is with great gratification that the Board has received notification that the Gryo Club will devote the proceeds of this year's Whirl to the Hospital grounds, thus carrying out one of their well-known characteristics, that what they start they finish. With this in view, the committee have decided to go slow and make very careful plans to produce something really worth while. The roads and paths will be laid out first, and it is hoped to put the balance of the grounds under a potato crop in order to condition the soil. Meanwhile, the Board have offered a prize of \$5 for the best landscape plan received from a High School student.

Mr. W. T. Hunter, Superintendent of the Experimental Station at Summerland, has kindly consented to assist with the planning and to give trees and shrubs. Mr. Palmer, of the Richter Street Greenhouses, has offered twenty-five trees and shrubs of the choice of his stock. Mr. F. R. E. DeHart has made a splendid offer of perennial plants, and many other friends have offered trees and shrubs. The Toc H Club have volunteered to assist with the work. It would seem that when a scheme for the beautifying of the town is mooted, there will be no lack of assistance. The city authorities have kindly consented to help with the roads, and Mr. H. A. Blakeborough and Mr. W. De Macedo expect to start mapping them out at once.

### COMMISSIONER FOR KELOWNA POLICE ENQUIRY

Lindley Crease, K.C., Of Victoria,  
To Conduct Investigation

VICTORIA, Apr. 18.—Lindley Crease, K.C., has been named a Commissioner for the purpose of investigating certain charges made by members of the Provincial Police against members of the City Police of Kelowna in a drug case. Mr. Crease will act as sole commissioner in making the investigation.

The matter is one that arose out of certain proceedings instituted against Chinese in Kelowna charged with trafficking in opium, contrary to the Criminal Code. At that time the Royal Canadian Mounted Police and the Provincial force were active in bringing the alleged culprits to justice.

Differences arose which resulted in Provincial Constable "Corrigan" making a charge that the police of the city were not only assisting the suspects but were interfering with the other forces concerned in the carrying out of the proper ends of justice.

### MISSIONARY EFFORT IN HOME AND FOREIGN FIELDS

Good Results Reported At Kamloops-  
Okanagan Presbyterial

(Contributed)  
Gathering from Okanagan and Nicola Valley points and from Main Line towns a large delegation attended the annual meeting of the Kamloops-Okanagan Presbyterial of the Women's Missionary Society, which met in Kamloops United Church on April 14th and 15th. The sessions were presided over by Mrs. E. R. Dawson, of Penticton, with Mrs. J. R. Standen as recording secretary.

Miss Evelyn Mitchell, Field Secretary, addressed the gathering, speaking of the headway being made in foreign fields and of the work in Canada, where the problem of the newcomer is being dealt with. The indifference of the average person to the need of helping our new Canadians is the greatest handicap to progress.

Work in Japan was dealt with in a paper read by Mrs. Hughes, of Kelowna.

Mission Bands are an important feature in W.M.S. endeavour and they are in a flourishing condition. Mrs. C. S. Maharg, of Vancouver, spoke on their value and the Kamloops Band demonstrated in a well-conducted business meeting.

Business sessions disclosed good results for the year. The Treasurer reported \$4,320 sent to the general fund. Supplies valued at \$367 were sent by Auxiliaries and Mission Bands to schools and hospitals. Strangers' work among newcomers to districts, sick persons and the new Canadians is being carried out. Work among young people, the distribution of missionary information and Christian stewardship of money, time and talent have received considerable attention during the year.

Closing words by Mrs. J. F. Shaw, of Revelstoke, drew the attention of all to the doors of opportunity which are now open for evangelizing the world and the call to measure up to the need.

# BUILT TO A FINE CAR IDEAL

THE Finer Oldsmobile is built as a fine-car should be built . . . to exacting standards of precision . . . to artistic conceptions of style . . . to an almost aristocratic idea of comfort.

Its high-compression engine, developing fully 62 horsepower, offers refinements never before available in any but three or four of the highest-priced cars, such as pressure lubricated piston-pins.

Its bodies are fine-car bodies . . . superb creations of Fisher skill and craftsmanship. Outside and inside they bear the unmistakable evidence of luxury.

And a host of extra features, additional refinements such as full-size radiator shutters, adjustable driver's seat, fine-car combination six-brake system, Lovejoy Shock Absorbers, make Oldsmobile's LOWER prices almost unbelievable. Come in and judge the car for yourself.

Orders for week ending 25th April, 1929:

Duties: Orderly Patrol for week, Cougars; next for duty, Foxes.  
Rallies: The Troop will rally at the Scout Hall on Friday and Monday, the 19th and 22nd instant respectively, at 7.15 p.m. It is necessary for Scouts to bring their signalling flags and apparatus to all rallies up to and including those at our annual show on the 24th and 25th of May next.

The Eagles are the first Patrol to equip themselves with a complete set of flags and receive 80 points for their effort. All Patrols not having a complete set at the rally on Friday next will have 10 points deducted from their standing, which penalty will be repeated with the addition of a further 10 points at each succeeding rally as long as they remain unequipped.

For absence of their Second without leave on both Friday and Monday's rallies the Wolves lose 10 points and 2 for being last to fall in on Monday. The Otters lose 10 for no report on both Friday and Monday. 5 for absence of their Second on Friday and 15 for absence of both Leader and Second on Monday. The Foxes lose 5 for absence of their Second on Monday. The points for attendance, etc., on both days were as follows, the Friday marks being given first in each instance: Eagles, 68-60; Beavers, 64-66; Lynx, 55-65; Otters, 51-31; Owls, 51-58; Cougars, 48-53; Wolves, 46-52, and Foxes, 30-42. This leaves the present standing as follows: Wolves, 1,113; Lynx, 1,070; Cougars, 1,006; Beavers, 900; Eagles, 793; Otters, 710; Owls, 705, and Foxes, 624.

The requirements for the Marksman Badge have just been slightly altered and the following are now the requirements for Scouts in this Province:

Test No. 1 (Shooting): Fire 10 rounds at a standard target at 25 yards and obtain at least 70 points. Test No. 2 (Knowledge and Care of Arms): (1) rules for safety; (2) calibre, what it is and those in general use; (3) rifling, what it is and its purpose; (4) ammunition—description of the component parts of the cartridge; (5) action when the trigger is pressed, everything that happens until the bullet leaves the muzzle; (6) flight of the bullet, forces acting on it after it has left the muzzle; (7) sighting of the rifle, reason for each sight; (8) different kinds of fouling and the methods of cleaning each kind; (9) general cleaning. Test No. 3 (Judging Distance): five estimates up to 600 yards, five estimates up to 300 yards, average error on ten estimates not to be more than 25 per cent. Note: The boy may answer questions in Test No. 2 in simple language and draw diagrams to illustrate his meaning if he desires, but he must satisfy the examiners that he thoroughly understands the nine paragraphs laid down above.

Mr. A. H. Ball, Provincial Commissioner for the Province of Saskatchewan, was visiting his brother, Mr. Joseph Ball, in town last week. He stated that Saskatchewan had already selected its quota of eight Scouts for the Jamboree and it was likely that as many more would be included in the representation who were paying their own expenses. Our Provincial Committee is working on the selection of our quota of four at the present time and it is some task and then some. The first announcements of the lucky four chosen will probably appear in the press.

R. H. Brock, of Chilliwack, has been awarded the general contract for the building of Chilliwack's new sixteen-room public school. A Chilliwack firm was also given the ventilating and heating contract. Mr. Brock's tender was \$63,100.

## 1ST RUTLAND TROOP

"Do A Good Turn Daily"  
Orders for the week ending April 27th. The Troop will parade in the School basement on Friday, at 7.30 p.m. Duty Patrol: Kangaroos.

The S.M. being under the weather on Friday last, the responsibility of running the meeting devolved upon A.S.M. Greville Harrison. Attendance numbered 12, a fair average, and the regular routine programme was gone through, including an exciting game of basketball. The Kangaroos got away to a good start in the new patrol competition that has now begun (standing will be published after the next regular meeting). Owing to the play "Martha Made Over" being presented in the Community Hall on Friday of this week, the meeting will be held on Saturday instead.

As mentioned in a previous issue, a couple of the Scouts went for an extensive hike during the early part of the Easter holidays. A report made by them is appended herewith, and may prove of interest to many. Its main fault, one that is characteristic of almost all hike reports turned in by the boys, is too much detail about the menu! However, we will let the boys tell it in their own words.

**Hike To Joe Rich Canyon**  
"Camper" Badge hiker by T.L. Ken Bond. First Class hike by P.L. Pete Ritchie.

On Good Friday, at 9.30 a.m., we left Mr. Bond's ranch with our benderoles, cooking utensils and four days' provisions. Passing Buckland's barn, through Mr. Baldock's, we made our way across the range between Black Mountain and Belmont. We passed the west of Black Mountain and came to a small cabin, where we had lunch.

We struck out for Eight Mile Road to the South and following it we arrived at Eight Mile at 3.30 p.m. Leaving our packs on the bridge, we hunted for a camp site and found a secluded spot down the creek. We pitched our pup-tent and made a bed of fir and cedar boughs, constructed a camp kitchen and then prepared a stew and flap-jacks for supper. We made a store house in a hollow tree and retired early to bed.

Waking at 3 a.m., numb with cold, we rose at 4.30 a.m. and warmed ourselves beside a blazing fire. We cooked "mush," flap-jacks, bacon and eggs for breakfast. Rolling our benderoles and packing sufficient provisions for the day, we put the remainder of our provisions in the "store house." We then left for Joe Rich at 8 a.m. reaching the south fork at 12 o'clock. After cooking bannock and twists over a camp fire, we pitched our faithful pup tent and made a bed of fir boughs. Then we left for Mr. Cyril Weddell's at 4 o'clock. That evening it began to snow, and we had a supper of stew, spuds, and fruit.

After having a comfortable night's rest, we arose at 8 a.m. on Easter Sunday, surrounded with snow. Mush, ham and eggs and flap jacks were our breakfast menu. Packing our equipment, we were joined by Don Smith and Bill Mack, former Cubs of the Rutland Pack, also John Kirkpatrick, formerly of the 20th Belfast. We all hiked to Eight Mile through two inches of snow and encountered two deer on the road. Reaching Eight Mile early in the afternoon, we were joined by former Rutland Scout Harold Bailey. After feeding them with stew and flap-jacks for "two hours" they left for home at five o'clock. We pitched the pup tent on the former site and finished the day by aiding Mr. Barber with his truck through the mud. Retiring at 9.30 p.m., we slept well and rose early on April 1st (All Fool's Day). We made sandwiches for dinner and finished remainder of the provisions for breakfast. Packing our equipment, we left for home at 9.30 a.m. and had lunch west of Black Mountain and arrived home about 1.30 p.m., none the worse for our hike.

A. W. GRAY,  
Scoutmaster and Acting C.M.

**SEA CADETS**

"Keep Watch"

At the last parade, instruction consisted of exercise in compass-work, and knot-tests.

Cadet A. Lloyd-Jones qualified in knots with 63 per cent.

Orders

Duty part next week: Fore Part of Probationers. Working party on Saturday, April 20th, to proceed to Long Lake to procure boat will consist of Leading Cadet R. Buckley, Cadets, Brunette, Needham, Day and Lloyd-Jones. Detailed information will be given to them before Saturday.

L. HARRISON,  
Commanding Officer,  
Co'y 1358, Kelowna Sea Cadet Corps—"Grenville".

**CANADA'S HISTORIC SITES**

Canada's historical background contains some of the most romantic and interesting episodes in the history of North America. In many districts throughout the Dominion there still remain visible evidences of our history in ruins, which have been preserved, but there are scenes of other and often important actions and events which are unmarked by any special reminder of what transpired at these points. The Department of the Interior has been carrying on a valuable work in preserving and restoring the ruins and suitably marking the sites of national historic importance.

Two boys were puzzling their brains to invent a new game. "At last one of them said eagerly: "I know, Billy, let's see who can make the ugliest face."

"Aw, go on!" was the reply. "Look what a start you've got!"

**GIRL GUIDE NOTES**

2nd Kelowna Company  
"Ever Ready"

The Company will rally at the Scout Hall for their regular meeting on Tuesday, April 23rd. We have had a long Easter holiday, now we must work hard until camp time.

Please take notice that the classes in Sick Nursing which were to have commenced on Friday, April 19th, will start on Friday, April 26th, in the hall over Sutherland's Bakery, at 4 p.m. All Guides are invited to attend these classes to prepare them for their Sick Nursing Badge.

**WOLF CUB NOTES**

1st Kelowna Pack

"Do Your Best"

The Pack will parade at the Scout Hall on Wednesday, April 24th, at 7 p.m. All Cubs must attend.

We hope to have assistants in the near future, so let us get busy and brush up on our tests and badges.

R. GARDNER, Cubmaster.

**OKANAGAN MISSION**

Mrs. W. A. Baldwin returned to the Mission on Monday from the Coast, where she has been spending the winter.

Mr. and Mrs. Purdy, who have been renting Mrs. Simeon's house in her absence, left the Mission on Monday for the Coast, where they will join their son.

The high winds of the past few days blew the top off one of the old cottonwood trees that stand one on each side of the footpath through Mr. Surtees' woods. Though it is sad to see old landmarks disappear, it is as well to have our attention drawn to the unsafe condition of these old trees. Report says that on this occasion the falling tree missed a man only by about three minutes.

On the 15th inst., the Eldorado Arms celebrated the opening of the season by a dance and a card party at the Hotel. Almost two hundred invitations were sent out by Mr. J. Horne, and the dancing was kept up till the early hours of the morning. The Mission was well represented among the guests. A buffet supper was served from 10.30 to 12. Towards the end of the evening a vote of thanks was proposed by Mr. W. D. Walker to the Countess Bubna and Mr. J. Horne.

There will be no Sunday School next Sunday, as there will be a children's service at 3 p.m.

The North and South Okanagan and the Similkameen will see large expenditures on roads this season, both from maintenance and capital account, according to a statement made recently by Hon. J. W. Jones, member for South Okanagan and Speaker in the Legislative Assembly. He stated that each of these three ridings would get about \$200,000 for 1929 road expenditures, making a total for this section of \$600,000.

# SPRING SHOWING of the NEW CHEVROLET SIX

—a Six in the price range of the four!

WE cordially invite you to visit our special Spring display of the new Chevrolet Six.

Here, in a price class that has hitherto been occupied exclusively by four-cylinder automobiles, you will see displayed a line of beautiful models that bring you every advantage of six-cylinder performance in the price range of the four . . . six-cylinder smoothness, six-cylinder reserve power, six-cylinder speed and six-cylinder acceleration.

And this amazing six-cylinder performance is matched in impressiveness by the beautiful new Fisher bodies. Longer, lower and roomier . . . finished in striking new colors . . . and offering numerous outstanding comfort and convenience features—they introduce into the low-price field a new conception of luxury, comfort and style.

Come in any time the week of April 20th to 27th. We want you to see for yourself that no other car in the world can give you so much at prices within the reach of all.

## PICTURESQUE SETTING FOR STORY OF "REDSKIN"

Gripping Romance Is Unfolded Amid Hills And Dales Of Indian Country

Beautiful scenic backgrounds are revealed in all their true colour and location in "Redskin," the feature presentation at the Empress Theatre on Friday and Saturday. The hills and valleys of the Indian country are reproduced for the screen just as the eye sees them in nature. And the powerfully gripping story, true to Indian traditions and customs, unfolds in this native setting.

A good cast enacts this drama. Richard Dix, who made such a tremendous success of his picturization of "The Vanishing American," turns his thoughts to serious drama again and gives a creditable performance.

### "The River Pirate"

Those who have read "The River Pirate," by Charles Francis Cox, which ran recently in the Saturday Evening Post, will recall that it was primarily the story of a boy who never had a chance until he met the girl who plucked him from a life of crime and brought him back to decency and to her. The film version of the story, starring Victor McLaglen, Canadian actor who scored an outstanding success in "What Price Glory," will be shown at the Empress on Monday and Tuesday.

The central figures in "The River Pirate" are a pair of boon companions, a hard-boiled sailor and a mere youth, who team together and engage in river piracy, working in the dark of the night and ever pursued by watchful harbour police. This provides for just a few more thrills than come to the usual motion picture and stresses the old maxim that there is good in everyone if the right spot be touched.

Lois Moran, who has not appeared lately on the local screen, is in the case, and Nick Stuart plays the role of companion in piracy with Victor McLaglen.

### "Dream Of Love"

The famous old French play "Adrienne Lecouvreur" has been modernized and adapted for the screen under the easier-to-pronounce title of "Dream of Love," the feature picture for Wednesday and Thursday. The film version has been produced on an elaborate scale and is said to contain all of the dramatic elements that characterized its presentation on the legitimate stage. The picture possesses an outstanding cast, including Joan Crawford, Nils Asther, Aileen Pringle, Warner Oland, Carmel Myers and others of ability.

Miss Crawford and Asther, the leading players, triumph as the strolling gypsy player and the heir to the throne. Miss Crawford proving that she is equally well at home in the roles of deepest dramatic significance as in the flaming youth style with which she has recently been identified. Asther's portrayal will cause many a feminine heart to flutter.

Seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you. Our spirit is the holy of holies in our being, where God comes to dwell. There is a door where Christ stands and knocks. We can voluntarily let Him in, or voluntarily keep Him out. We can turn towards God or turn away from Him. Herein lies the only wrong the spirit can do. When it will the spirit can always turn back to God. If God is omnipresent and God is good, how can evil continue to exist, where His Kingdom is established?

### COUNCIL STILL WRESTLES WITH ESTIMATES

(Continued from page 1)

the general funds of the City, and the  
persons concerned paid an annual fee.  
The Clerk stated that this did not  
apply to recent sewer extensions  
which had been constructed under the  
local improvement plan.

His Worship considered that in cases  
where cost of the extension was charged  
as a local improvement the annual  
fee should not be levied, the By-Law, if  
necessary, to be amended to that effect.  
Ald. Jones took the view that the  
cost of operating the sewer system  
should be levied on those persons who  
had their premises connected with it.

Further discussion of the subject  
was deferred until meeting in commit-  
tee.

### Shortage Of Material Delays Water- works Extension

The City Engineer reported that,  
while a carload of pipe had arrived that  
day, the special fittings required had  
not come to hand, which was the reason  
why construction had not yet be-  
gun on waterworks extension.

**The Park Tennis Courts**  
In reply to a query by the Mayor  
as to whether he had received any ap-  
plication for repair of the tennis courts  
in the Park, Ald. McDonald said only  
verbal requests had been received.

The City Engineer stated that the  
surface of the courts was in pretty bad  
shape, and the only real solution was  
to asphalt them, which could not be  
done this year.

**The Estimates**  
Consideration was resumed of the  
anxious work of pruning down the  
estimates, which had already been dealt  
with exhaustively in committee.

Ald. McDonald suggested that the  
difficulty of a rising tax rate should be  
met by increasing the taxable percent-  
age of assessed improvements from the  
present one-third to one-half.

Before any such change was carried  
out, contended the Mayor, there should  
be a general readjustment of the value  
of buildings for depreciation, as there  
had been no change in the valuation of  
many buildings for a number of years  
past, and owners had been "accused  
of forego claims for depreciation so far  
by representation to them that only  
one-third of the assessed value was  
taxed, whereas, if depreciation were  
allowed, it would be necessary to raise  
the proportion to fifty per cent.

Ald. Gordon said there was a general  
feeling that there should be no increase  
in the rate of taxation as compared  
with last year. To avoid the threaten-  
ed raise of one mill, he therefore sug-  
gested that the estimates be referred  
back to the committee stage, where a  
determined effort should be made to  
bring them down to the basis of a 44  
or 43 mill rate.

The Mayor pointed out that it was  
due to no extravagance on the part of  
the Council that taxation threatened to  
climb, and in support of his statement  
he produced a very significant table  
showing the respective rates of taxation  
for general, school and debt purposes  
from 1919 to 1928 inclusive, with the  
corresponding cash receipts. This table  
is reproduced elsewhere in this issue  
and should prove valuable material to  
submit to the Minister of Education  
when he confers with the Council and  
the School Board on the subject of tax-  
ation for school purposes.

Outstanding features in the table are  
that the general rate for all municipal  
purposes other than schools, and the  
public debt was 12.1 mills in 1919 and  
only 8.86 mills in 1928, while the school  
rate jumped from 8.7 mills in 1919 to  
18.6 in 1928, and the debenture rate  
showed only a small increase, from  
15.2 in 1919 to 16.54 in 1928. The gen-  
eral rate levy produced \$23,984 in 1919  
to spend upon various municipal pur-  
poses, while in 1928 only \$21,100 was  
available, in the face of a great increase  
in the population during the interven-  
ing years and a consequent demand  
for more and better streets, sidewalks  
and other services. On the other hand,  
the schools received \$44,100 in 1928  
from the levy as against \$17,244 in 1919.

The Mayor held that the present  
state of affairs would continue unless  
a radical change were made in the  
school laws.

Further discussion was postponed  
until the next meeting in committee of

## OBITUARIES

**Mr. Moses Leslie**  
With the death on Thursday morn-  
ing last of Mr. Moses Leslie, who pass-  
ed away peacefully at the residence of  
his daughter, Mrs. C. Blackwood, Kel-  
owna lost one who for twenty-five  
years had been a respected citizen of  
the city and probably was its oldest  
inhabitant.

Born in Ireland on June 24th, 1834,  
Mr. Leslie, at the age of 11 years was  
brought to Canada by his parents, who  
settled in Toronto. In 1859, he mar-  
ried Miss Sarah Jane Wilson, who pre-  
ceded him a number of years ago.  
Following their marriage, Mr. and Mrs.  
Leslie moved to Wallace, Ontario,  
where they resided for several years  
before going to Markdale, another On-  
tario town. Unable to resist the call  
of the west, Mr. Leslie eventually  
brought his wife and family to Brit-  
ish Columbia, and Kelowna was desti-  
ned to become his home until the end of  
his days.

Dating from the day when, at the  
age of nineteen years, he joined the  
Orange Lodge, Mr. Leslie had been a  
staunch Orangeman, and on his arrival  
in Kelowna he lost no time in becom-  
ing a member of the local lodge. He  
was held in high esteem by his breth-  
ren.

Of a family of nine, five are left to  
mourn the loss of a father, the sudden  
deaths of Mrs. C. Blackwood, of Kelowna,  
and Mrs. M. J. Croft, of Vancouver;  
three sons, John, of Kelowna, W. T.  
Leslie, of Penticton, and G. M. Leslie,  
of Estlin, Sask.

The funeral service, in charge of  
Loyal Orange Lodge No. 1870, the  
Rev. G. Thornber conducting, was held  
on Sunday at 2 p.m. from the residence  
of Mrs. Blackwood to the Kelowna  
Cemetery. A large number of friends  
attended.

The following members of the local  
Orange Lodge were pall bearers: Mes-  
srs. A. Hardy, E. Clement, T. Murray,  
G. McCurdy, E. L. Cross and J. L.  
Wilson.

**Mr. Alfred H. Wade**  
Old friends in the Kelowna district  
are grieved to learn of the sudden  
death of Mr. Alfred H. Wade, a well-  
known old-timer of the Penticton dis-  
trict, who passed away on Monday as  
the result of a paralytic stroke.

Mr. Wade was a brother-in-law of  
the late Mr. Thomas Ellis, of Pentic-  
ton, the "Cattle King" of the Okana-  
gan, whose domains stretched from  
the south end of Okanagan Lake to Osoyo-  
s.

He came to Penticton from the  
Old Country over forty years ago and  
for many years carried on the only  
general store at that point. Bluff and  
outspoken in manner, but possessing a  
warm heart, he was known far and  
wide amongst the early settlers, sur-  
vivors of whom deeply regret his pass-  
ing. He served as postmaster at Pen-  
tiction for a long term and also held  
a commission as Justice of the Peace.

Mr. Wade is survived by his wife,  
who was a resident of Kelowna for  
some time before her marriage, a  
daughter, Joan, and a son, George, who  
is a member of the staff of the Cana-  
dian Bank of Commerce here.

Owing to the paucity of attendance  
at the meeting which was to have been  
addressed by Mr. A. E. Craddock,  
Manager of the Automobile Club of  
B.C., in the Board of Trade Room on  
Thursday evening last, Manager Crad-  
dock decided to send the full text of his  
address on a return visit to Kelowna  
some time in June, when the annual  
meeting and banquet of the local  
branch will be held in the Royal Anne  
Hotel. On this occasion, the Man-  
ager of the Automobile Club will be ac-  
companied by one or two directors of  
the organization, and the subject of his  
talk will be "Aims and Object of our  
Club." The date of the annual meeting  
will be announced later.

The regular monthly meeting of the  
Girls' Hospital Aid was held on Fri-  
day evening at the residence of Mrs.  
Schiedel, who again generously loaned  
her home for the purpose. The chief  
topic of discussion was the public per-  
formance which will be given at the  
Empress Theatre in June for the pur-  
pose of raising funds with which to  
complete the furnishing of the Nurses'  
Home. The Girls' Aid has been prac-  
tically dormant for the past eighteen  
months, but since its re-organization it  
has been extremely active. Although  
the first meeting was called only two  
months ago, a bridge has been con-  
vened, sheeting purchased and a sewing  
bee held at the home of Mrs. E. C.  
Weddell.

the whole and adjournment was taken  
until Friday, April 26th, this date being  
chosen so as not to conflict with the  
dinner to Hon. Mr. Hinchliffe.

## SPLENDID PROGRAMME BY WESTMSTER GLEE-SINGERS

**British Songsters Live Up To Highest  
Expectations**

It is seldom that a musical or dram-  
atic aggregation really lives up to the  
glowing advance notices that its press  
agents disseminate, but it can be said  
with truth that there is no exaggera-  
tion current in regard to the artistic  
merits of the Westmster Glee Sing-  
ers, who visited Kelowna on Tuesday  
night on their farewell tour of Canada  
prior to return to the Old Land. They  
supplied a delightful programme, in-  
cluding gems of the old English com-  
posers, Bishop and Purcell, as well as  
modern numbers and ancient melodies  
re-arranged, and the keen appreciation  
of their efforts by the large audience  
took the form of encores for practically  
every item, with a second recall in sev-  
eral instances.

The choir consists of six boys and  
six adults, the range of voices including  
boy sopranos, male altos, baritones and  
basses. All participated in the part  
songs, "Orpheus with his lute," "My  
bonny lass she smileth," and a cycle of  
Welsh songs, "Swansea Market," "All  
through the night" and "Men of Har-  
lech," and the blending of the young,  
fresh voices of the boys with the reso-  
nant and forceful tones of the men pro-  
duced a most charming effect. An en-  
core number, "The Bells of St. Mich-  
ael's Tower," was a piece of clever ar-  
tistry, the clang of the bells, both large  
and small, but particularly the big ones,  
being reproduced with extraordinary  
realism by the unaided means of vocal-  
ism alone.

The adults gave a fine account of the  
opening number, Bishop's "Footers  
sound the cheerful horn," following  
with a vocal waltz, "Breezes of the  
night," as an encore. The boy sopranos  
rendered Purcell's "Nymphs and  
Shepherd" with much sweetness, and  
sang a barcarolle in response to a recall.  
Little Harry Fearn delighted his hear-  
ers with "Cherry Ripe," a favourite old  
English ballad, every note being true  
and sweet, and he pleased his admirers  
still further with an encore number,  
"Coming Home." A quartette, with  
"The Ash Grove," earned a double re-  
call, as also did Albert Green, who  
caught the fancy of his hearers in  
"Long ago in Alcalá" and "Phil the  
Fluter's Ball" with his quaint humour,  
coupled with a voice of quality and de-  
lightfully clear enunciation—a virtue  
possessed also by the majority of his  
confederates, both young and old. James  
Davies, tenor, gave a finished rendering  
of the old favourite, "Believe me, if all  
those endearing young charms" and  
was encored.

After an interval of ten minutes, the  
second portion of the programme was  
opened with "Ave Maria" and two oth-  
er sacred compositions, which gave the  
combined choir an opportunity to dis-  
play their capability for reverent treat-  
ment of serious music. Reverting once  
more to old English songs, Donald  
Reid rendered "Drink to me only with  
thine eyes" with tenderness and sym-  
pathy, and sang "Duna" as an encore.  
Three adults and one boy soprano gave  
"The Farmer's Son," and followed with  
a most delightfully smooth and musical  
rendering of "Annie Laurie" as a recall.  
Charles Draper's splendid baritone was  
heard to full advantage in the spirited  
"Border Ballad." The "Song of the  
Flea," given as an encore, brought a  
demand for a second number, and the  
"Song of the Volga Boatmen," sung  
with consummate artistry in interpreta-  
tion of its innate romance and sadness,  
was the best of the three. Of a radical-  
ly different type were three rollicking  
sailor chantes by the adults, "Sacka-  
mento," "Bound for the Rio Grande"  
and "The Drummer and the Cook," but  
they were keenly enjoyed and evoked  
a double encore. Excellent solos were  
those of James Barber, bass, in "Sea  
Fever," and Charles O'Connor, both  
being recalled. The last items on the  
programme, were "Celia's Charms,"  
sung by four of the adults, and "St.  
Patrick's Day," by the ensemble.

The heaviest fine ever levied in Mer-  
ritt or anywhere in the Nicola Valley  
was imposed last week when a Greek  
bootlegger was fined \$500 and costs for  
selling liquor to youths under twenty-  
one years of age. The Magistrate,  
in naming the amount of the fine, mer-  
cilessly denounced the offender's un-  
lawful acts. Although the size of the  
fine stunned the Greek, he excitedly  
wrote a cheque and hurriedly left the  
Court Room.

## NOTICE

Owing to a change of policy on the part of the Kelowna School Board, the Rose property on Harvey Avenue and Ellis Street, which has been withheld from sale during the past two years, at their request, as a site for the proposed Junior High School, is to be placed on the market shortly. The tract was subdivided into city lots many years ago, but the pegs have rotted out. The lots are to be re-surveyed and re-pegged at an early date, hence all persons and clubs that have been permitted to use the field for sport purposes are notified that such permission is withdrawn from this date, and there must be no trespass on the property after the new pegs are set.

## Local and Personal

Mrs. Frank Treadgold left on Wednesday for Vancouver.

Mr. and Mrs. Fred C. Pharey returned on Friday from a trip to Victoria.

Master D. Hayes left on Thursday last by Canadian National for Victoria.

Mr. and Mrs. J. B. Spurrier returned on Thursday last from a trip to the Coast.

Mr. and Mrs. George Rowcliffe returned last week from a trip to the Coast.

Mr. and Mrs. Darg and family, of Vancouver, arrived in town on Saturday. They intend to settle here.

Mrs. R. E. Archer Houlton and little daughter, who spent the winter in Honolulu and Victoria, returned home on Wednesday.

Miss Doris Teague, accompanied by her mother, Mrs. W. C. Duggan, left on Tuesday for the Coast, where she will spend her holidays.

Mrs. E. J. Goddard, who spent a brief holiday at Adams River, returned home on Thursday with Mr. Goddard, who made the round trip by motor car in one day.

Major Erlebach, Secretary-Treasurer, R. P. Clark & Co. (Vancouver) Ltd., and Mrs. Erlebach, were visitors in town over the week-end, guests of the Royal Anne Hotel.

The Hon. Joshua Hinchliffe, Minister of Education, is to be present at the Musical Festival, and has kindly consented to take the chair at the final concert on Saturday evening.

Owing to the absence of Archdeacon Greene, who is in Penticton on the occasion of the induction of the new Rector for the Anglican church there, no service will be held in Rutland on Sunday next.

A dance and supper, marking the opening of the season of the Eldorado Arms, was held at the Okanagan Mission last night. A good crowd was in attendance by invitation, and an enjoyable evening was spent.

Mr. Keith Smith returned on Saturday from Vancouver, where he had spent the past month preparing for his major (final) examination in pharmacy, which was conducted last week by the Pharmaceutical Association of the Province of B.C.

The "clothes line thief" is again active in Kelowna, according to reports received by the City Police. On Sunday several articles of wearing apparel were reported stolen from a clothes line, and householders are warned not to leave articles of value outside over night.

Mrs. Davidson and son and daughter-in-law, Mr. and Mrs. R. Davidson, of Salmon, arrived recently in Kelowna, where they will reside. Mrs. Davidson will shortly open a candy store in the premises on Bernard Avenue formerly occupied by the late Mr. W. Crawford, alteration of which is now nearing completion.

Dr. J. Williams Ogden arrived in Kelowna on the "Sicamous" on Tuesday afternoon and will be the guest of his daughter, Mrs. Percy Dunn. Dr. Ogden will lecture at the United Church on "Athens—the Glory that was Greece" Friday evening, 19th inst., and intends spending a few weeks here to execute some canvas scenes of blossom time in the Okanagan.

The demand is good for tickets entitling the holder to participate in the drawing for a new Dodge Sedan, the proceeds of which will be used to furnish the new Maternity Wing of the Kelowna General Hospital. Mr. C. Gaddes, of McTavish & Whillies, is cashier, and manager, from whom books of tickets for sale may be obtained. Single tickets are on sale everywhere.

Customs collections for the port of Kelowna for the fiscal year ended March 31, 1929, amounted to \$31,766.64, as against \$31,424.10 for the previous year, an increase in revenue of \$342.54.

Mr. A. D. Weddell, Sub-Collector of Customs, states that, although the sales tax has been slightly decreased over this period, imports have shown a greater revenue, hence the increase.

Two homes recently put up for auction have been sold by Goddard's Auction & Realty Co., including one last week on Glenn Avenue for Mr. W. H. H. McDougall, which was purchased by Mr. F. T. Powick. The sale of property by auction is growing in popularity, according to a statement by Mr. Goddard, who said that his firm was meeting with considerable success in this branch of its business.

The Catholic Ladies' Guild held a sale of work and home cooking in a I.O.O.F. Temple on Saturday afternoon last, and a supper, which was well attended, was served from 5 to 7 p.m. Games and good music featured the event. Nearly all of the work was sold, and the Guild wish to convey thanks to the willing workers—musicians and those who gave supplies which contributed to the success of the undertaking.

Mrs. K. D. Woodworth and family, of Vancouver, arrived in town on Friday and have taken up residence at Manhattan Beach. Mr. Woodworth, who for some time has made Kelowna his interior headquarters, is District Manager for the Morrison Tractor & Equipment Co., Ltd., which company will soon occupy the large warehouse in course of erection east of the Government Liquor Store to facilitate the distribution of tractors in the interior.

After an interval of many months, due to a serious breakdown of the apparatus, local Station 10AY resumed broadcasting on Thursday evening with a test programme and gave another programme on Sunday afternoon. Although only from twenty-five to fifty per cent of the full power of the station was used, as a measure of caution at the outset, the results were very satisfactory, clear reception being reported by a number of listeners in the district.

The Kelowna-Westbank ferry left on Tuesday morning at 9.30 for Okanagan Landing, where she will undergo an inspection and overhaul. It is understood that during the winter the ice damaged the hull, the extent of which will be determined on inspection. Meanwhile, ferry service is being carried on with the tug and scow which had been in use before the advent of the new vessel and the old government ferry wharf is again being utilized. No change in the schedule has been made.

The annual picnic usually held at the Dominion Experimental Station at Summerland had to be abandoned last year, owing to the unsatisfactory conditions of the roads on the west side of Okanagan Lake. It is hoped, however, that no such circumstances will interfere with the picnic this year, the plans for which are well advanced. The date has been set for Monday, June 3rd, being the King's Birthday, and it is hoped that Hon. S. F. Tolmie, Premier of the Province, will attend and address the gathering.

The Hospital Board of Directors wish to acknowledge with thanks the following additional donations of eggs in the recent drive, making a total of over 300 dozens received. The figures represent dozens: Mrs. A. Patterson, 3; Mrs. P. Jensen, 4½; Mrs. R. E. Neish, 6; Anonymous, 2; Mr. H. E. Atchison, 6; Mrs. Riley, 2; Mrs. W. R. French, 4; Mrs. E. Anderson, 6; Mrs. A. C. Haskins, 2½; Mrs. H. C. S. Collett, 6; Mr. A. S. Martin, second donation, 10; Mrs. A. E. Keller, 4; Jack and Billy Gordon, 4; Mrs. Agar, Wilson's Landing, 3; Mrs. Metcalfe, 3.

President J. Knox and Secretary G. T. Drage, of Kamloops Lodge, Sons of England, were in town yesterday evening for the purpose of extending an invitation to the members of Orchard City Lodge to attend the celebration of the twenty-fifth anniversary of the founding of the Kamloops branch, which will take place on Tuesday, April 23rd (St. George's Day), in the form of a banquet and social evening. A number of local members have signified their intention of making the trip. Arrangements for transportation are in the hands of Bros. H. Preston and J. G. McKay.

The Police Commissioners last week appointed Mr. David Murdoch to fill the vacancy caused by the resignation of Constable G. Chaplin. Constable Murdoch, who has assumed his new duties, is a native of Ayrshire, Scotland, forty-three years of age, married, with one son, aged nine. He has resided nineteen years in Canada, including three years in British Columbia. He served three years and nine months overseas with the C.E.F. in Canadian Corps Signals. His police experience is extensive, including six years with the R.C.M.P., during which he was corporal in charge of a detachment for five years, also gaining office experience as filing clerk, etc. He was granted a free discharge to take a position as clerk, bookkeeper and constable for the Department of Indian Affairs, Kenora, Ont., in which capacity he served for a year. Later, he served for two years and seven months as a constable in the Manitoba Provincial Police, resigning on February 10th, 1928, to come to British Columbia. He also acted for eight months as night constable at Chilliwack.

Two cars containing interested orchardists from Summerland went up to Okanagan Centre last week to view a demonstration of the treatment of perennial canker. This new disease has already had a start in orchards in the Okanagan. It is hoped that familiarity with the trouble will lead to proper treatment of it.

# DRIVE A PLYMOUTH

HERE IS AN OPPORTUNITY FOR EVERYBODY DURING

## "Learn-the-Difference" FORTNIGHT

We Invite You to Discover Plymouth Superiorities Behind the Wheel

STARTING TODAY, and lasting two weeks, we are holding a "Learn-the-Difference" Fortnight for the full-size Plymouth. We want you to drive a Plymouth and learn the difference between Plymouth performance and any other in the Plymouth price field. For there is a difference—an overwhelming difference in the things Plymouth does and how it does them.

See—Feel—and Experience the Difference

There is only one sure way in which you will know how decisive this difference actually is: That is to see, and feel and experience—to ride in and actually drive the Plymouth. We invite you to discover for yourself the full-size of the

Plymouth which seats five adults in comfort—to note its easy-riding lengthiness—to see how sharply it contrasts with the small dimensions usually associated with cars at anywhere near its low price.

Fifteen minutes at the Plymouth wheel will convincingly reveal how wide a margin separates the Plymouth from all other cars that attempt to compete with it in its price-group.

Do Not Miss This Great Opportunity

Take advantage of Plymouth "Learn-the-Difference" Fortnight at once. See the unmatched features—experience the unprecedented performance.

We are eager and anxious to have you put every Plymouth claim to

the test, to learn for yourself what a vast difference there actually is, in performance, appearance and value, between Plymouth and other cars in its price-class.

Once you drive a Plymouth and learn the difference, you will never be content with any other car. Your judgment will insist that you own a Plymouth.

### NO OBLIGATION

We are eager to have you realize the many outstanding advantages of the Plymouth. Come and drive the car—see for yourself how and why it excels. There is not the least obligation. Come in today!

## RUTLAND

The local basketballers scored another win on Thursday evening when they beat the Kelowna Oddfellows by 12 points to 8. The game was witnessed by a large crowd, who saw Rutland take first place in the District League. We understand that one more game, between the Oddfellows and Winfield, has yet to take place.

There was a small attendance at the monthly meeting of the Women's Institute.

In the absence, through illness, of Mrs. J. Dudgeon, Mrs. Mugford presided. The report of the convenor of the Agricultural Committee showed that plans for the annual flower show are well advanced and the prize list will probably be printed in time for next month's meeting.

For the Home Economics Committee, Mrs. W. Leithhead reported that a successful class in pine needle basketry had been held in March with 13 ladies in attendance, seven making trays and the rest baskets.

Mrs. A. F. Grindon, Public Health Nurse, gave an interesting talk on food in relation to health and also read a letter explaining State health insurance which is before the Provincial Legislature for investigation.

The next meeting, it was announced, will be in the way of a mother and daughter meeting, when there will be a competition in darning for teen age girls, the prize being a silver thimble. Mesdames Hardie, Beale and Leithhead served tea at the close of the meeting.

The annual meeting of the Rutland Athletic Club was held in the Community Hall on Monday evening last, April 15th, with an attendance of about twenty-five. Ordinarily called as a baseball meeting, the executive decided to make it the occasion of the election of officers in order to obviate the necessity of calling an additional meeting.

The retiring President, Mr. E. S. Bush, occupied the chair. Miss Agnes Appleby, the Secretary-Treasurer, presented the minutes of the last annual meeting which were adopted. Miss Appleby not having had sufficient notice to be able to prepare a financial statement, a resume of the club's financial transactions was given, showing the club to have a debit balance of over \$30, mostly rent due the Community Hall, and some basketball supplies still to be paid for.

The election of officers then followed, the meeting immediately going into a "decline." All nominees declined the honour of elevation to office, but finally by a species of "railroading" the following slate was chosen: President, A. W. Gray; Vice-President, Earl Har-

## OKANAGAN CENTRE

Through the efforts of Mr. N. H. Caesar, a cricket club has been organized in this district and will be known as the Woodsdale Cricket Club. The membership includes players from Oyanama, Ellison, Winfield and the Centre, and it will be captained by Mr. F. A. Rimmer, of Oyanama.

The club has been admitted to the Kelowna League and its matches will be played on the pitch at that place during the coming season.

Messrs. G. E. Logie and R. Wentworth were week-end visitors at Summerland.

Mrs. Bond entertained at the tea hour on Wednesday afternoon.

Mrs. Leslie Caesar, of Victoria, and infant son, arrived on Monday for a visit of some length at the home of Mr. and Mrs. N. H. Caesar.

The general appearance of the village will be much improved this summer by the addition of two new gardens on the front street. Mr. Gleed is putting a great deal of work on the land surrounding his garage just north of the Westbury Hotel, while Mr. Logie is planting an extensive garden on the vacant lots south of the tennis courts.

Mrs. Maile, of Winfield, has been the guest of various friends here the past week during Mr. Maile's absence at the Coast.

Quite a number motored to Vernon for the play presented by the Kalamalka Players last week, all expressing their pleasure in the entertainment.

The annual meeting of the Okanagan Centre Spraying Zone is posted for Friday evening, the 19th, in the Community Hall, at 7.30.

Mrs. T. A. Gray and son Frank motored to Seattle last week for a fortnight's visit with Mrs. Gray's sister and Mrs. L. Seeman and family.

die (re-elected); Secretary-Treasurer, Fred Blenkarn. Executive Committee, W. D. Quigley, A. F. Bach and the managers of the basketball and baseball teams.

After the adjournment of the meeting, an Executive Committee meeting was held, the retiring executive and the new one combining to arrange for a dance to be held on Thursday next to endeavour to wipe off the deficit and also to provide funds for the baseball team for the coming season.

Although the weather continues cold, and daylight after six o'clock is brief, a start in the baseball line has been made and practices are being held on Mondays, Wednesdays and Fridays.

Mr. and Mrs. Derik Oliver and Fay have moved into town from their ranch on the Belgo.

"Well Baby Clinics," commenced last fall, will be resumed once more, the first being held on Tuesday next in the School basement under the supervision of Dr. G. A. Ootmar and the Public Health nurse, Mrs. Grindon. Clinics will be held on the fourth Tuesday in every month from now on.

Friends of Mrs. Geo. Schofield will be pleased to learn that she is recovering from her recent severe illness.

Mr. F. L. Fitzpatrick has purchased a new up-to-date power sprayer, a Hardie "Mogul" machine. The district has been short of spray machines and this addition to the number will be welcome.

Rev. C. A. Campbell, who has been filling a charge for the United Church at Golden for some time past, has returned once more to his home in the Hollywood district.

Her many friends will be glad to hear that Mrs. Bruce Petch, who is in the Kelowna General Hospital suffering with pneumonia, is making good progress towards recovery.

Mrs. C. E. Davis, formerly Miss Evaleen Harrison of Rutland, is receiving the congratulations of her many friends on the birth of a little daughter, born at the Kelowna General Hospital, on Monday, April 15th.

(Received too late for last week's issue)  
Capt. C. R. Bull, who recently arrived home after spending the winter in the Old Country, has moved to Kelowna.

Rutland whitewashed Winfield on Monday evening at the Hall, where, in a one-sided game they won their fourth successive game in the District Basketball League, thus putting themselves in first place. The game was witnessed by the largest crowd yet assembled to watch a basketball contest, and they saw the local team romp home with 23 to 5 points victory. The Rutlanders are due to play their last game this (Thursday) evening at the Community Hall, where they meet Kelowna Oddfellows. A good game should result.

A successful jumble sale was held in the hall on Friday afternoon by the United Church Ladies Aid Society, despite the fact that there was not such a quantity of goods to be sold as has been the case in the past. The result was beyond expectations and a goodly sum was realized to help on the good work the ladies are doing.

No one has ever complained of a parachute not opening.

The Kamloops City Council, in session last week, decided unanimously to accept the offer of the Canadian Waterworks and Electric Co., Ltd., of \$800,000 for the electric plants and a franchise for twenty-five years as the basis of negotiations, subject to ratification of the ratepayers and the consent of the Lieutenant-Governor in Council. It is likely that the by-law will be referred to the electors early next month.

## GLENMORE

### Municipal Council

Glenmore is to have a domestic water system constructed as a local improvement, to serve from the Golf Course around McGregors, if satisfactory arrangements can be made with the City of Kelowna for a supply of water out of the main they contemplate laying to serve the Cemetery. At the Council meeting, held on Tuesday, April 9th, Councillor Ferguson presented a petition which had been widely signed by the owners concerned asking for the work to be done, and he, along with the Reeve and Councillor Clarke, were appointed a committee to interview the City and enter into an agreement if possible. A by-law to do the work received first reading.

Mr. C. H. Burns, representing the Imperial Oil Co., attended the meeting and asked for a share of the Municipality's oil business, on the grounds that they refined and had a large payroll in the province.

Don J. W. Jones had replied by letter from Victoria to the Council's telegram protesting against any reduction in the Municipality's share of liquor profits. He claimed that the change in method of division of liquor profits would not result in a reduction and might possibly constitute an increase in the shares to municipalities.

The Salvation Army wrote asking for an increase in the grant for their rescue home from \$20 to \$100. They enclosed a list of the contributions last year from municipalities, from which it appeared that Glenmore's contribution was the smallest but several small municipalities had not given anything.

A letter was received from the Canadian Social Hygiene Council recommending that all Councils should write to their local members at Ottawa requesting they ask for the sum of \$200,000 to be placed in the Federal estimates in order to make possible the establishment of full-time health service in rural and semi-rural areas throughout the Dominion. The Council passed a resolution complying with the suggestion.

It is understood that the Glenmore Municipal Council will call for three sprays this year to combat the codling moth pest.

### HELPFUL NEIGHBOURS

Kelowna, April 16, 1929.  
To the Editor,  
Kelowna Courier.

Dear Sir,  
I would like, through The Courier,  
to thank my neighbours who dealt so  
effectively with the fire on my place on  
the night of the 15th, saving galled  
property.

May Benvenuto prosper in spite of  
the danger of her honourable position  
in the front line trenches of production.  
Yours obliged,

## TWENTY YEARS AGO

(From the files of "The Kelowna  
Courier")

Thursday, April 15, 1909

The negotiations in connection with  
the property of the Agricultural and  
Trades Association took a new turn at  
the meeting of the City Council held  
on April 12th, when Mayor DeHart  
introduced a fresh proposal, which he  
said, had met with the approval of op-  
ponents of the agreement last consid-  
ered. It was proposed that the City  
pay \$5,500 to the Association for the  
grounds; that the City give the Asso-  
ciation a site in the Park on a lot to be  
chosen by the City, on which the Asso-  
ciation would undertake to erect a  
building to cost not less than \$2,500,  
the building to be used for agricultural  
and horticultural purposes and for such  
other objects as the City might ap-  
prove; that the City be given free use  
of the building for all special municipal  
purposes, such as meetings, and that  
the City shall have perfect liberty to  
sell the fair grounds at any time it  
shall deem fit to do so, on submission  
of a by-law.

The scheme received the general ap-  
proval of the Council, and Aldermen  
Bailey, Ball and Elliott were appointed  
a committee to meet the representatives  
of the A. & T. Association in order to  
arrive at a final agreement.

At a general meeting of the Kelowna  
City Band, held on April 9th, Messrs.  
D. W. Crowley and G. C. Rose were  
re-elected as citizen members of the  
Band Committee and Messrs. R. Crook  
and R. Morrison were chosen as band  
members of the committee. Mr. Crow-  
ley and Mr. C. Leslie Thompson were  
re-elected as President and Secretary  
respectively. The Bandmaster at this  
time was Mr. T. S. Robertson, form-  
erly of Lethbridge, Alberta.

An effort by the Kelowna Board of  
Trade to have the name of Sicomus  
changed to "Okanagan Junction" proved  
unsuccessful, the C.P.R. notifying  
the Board that they could not consent  
to the change for various reasons, geo-  
graphical and otherwise.

The football season was opened in  
Kelowna by two matches on Good  
Friday, played between the senior and  
junior teams of Penticton and Kelowna.  
The Kelowna youngsters lost by 3  
goals to one, while the Orchard City  
seniors took the Pentictonites into  
camp by a score of 4 goals to 0.

A private letter from Nova Scotia,  
received by a Summerland resident,  
contained the information that last year  
brought good prices for Annapolis  
Valley apples, but that the yield is de-  
creasing. Insects have multiplied so  
rapidly and the expense of combatting  
them has grown so enormously that  
success in growing apples in N.S. has  
been greatly lessened and profits have  
been decreased. The bud moth, green  
apple worm and leaf roller are the  
worst pests besides the fungus dis-  
eases which are ever present. Nova Scotia  
orchardists are fighting the pests, how-  
ever, and hope to eventually control  
them.

## SPORT ITEMS

### CRICKET

**New Team Enters District League**  
Kelowna's District Cricket League will be extended to four teams again, for the first time since the reorganization of the league four years ago, the latest addition to the entries being Oyanima-Okanagan Centre eleven which will be known as Woodside, and which made formal entry at the annual meeting of the Kelowna and District Cricket Association held in the Canadian Legion clubrooms on Friday night.

Despite counter attractions on the same evening, there was a representative turnout of players from the three city clubs, and N. H. Caesar, veteran Okanagan Centre cricketer, and F. Rimmer were in attendance representing the new Woodside organization. Practically a new slate of officers were elected to control cricket in the district for the forthcoming season, Leopold Hayes refusing to stand for a third term as president, owing to his anticipated absence from the city this summer. Active officers were elected as follows, all by acclamation: President, Wadsworth; Vice-President, A. Paul Hayes; Secretary-Treasurer, Fred Tutt; Executive Committee: H. C. Dunlop, W. Bredin, F. Rimmer, Geo. H. Tutt, and one nominee of the Occidental Cricket Club, H. A. Blakeborough was reappointed as chairman of the Grounds Committee.

The balance sheet presented by the retiring Secretary, F. M. Kevill, created considerable discussion, and was finally adopted, there being a small balance on hand after encountering severe financial difficulties last year, when the playing field at Athletic Park was flooded, necessitating a move to the agricultural grounds. The cost of erecting a pavilion at that point and expenses in connection with the moving of the pitch accounted for the larger item of expense, approximately \$120. As the District Association supplies matting, wickets and other equipment, with the exception of bats and balls, for all matches, and balls for the Valley league and outside fixtures, considerable expense falls on the central organization in the arranging of outside matches and the entertainment of visiting teams.

It was decided to adopt a system used in England by electing several Honorary Presidents, among those being Grote Stirling, M.P., Mayor D. W. Sutherland, Hon. J. W. Jones, O. L. Jones, K. MacLaren, Leopold Hayes, Col. Victor Spencer and E. Weddell.

Probably the feature of the meeting was the report of H. A. Blakeborough for the Grounds Committee, in which he stated that, if present plans are carried out successfully, Athletic Park will be in shape this summer, with a sod covering. For many years the character of the surface of Athletic Park has been more or less of a handicap to the playing of all sports, and if the present treatment is successful, the city will be in a position to cater to all branches of sport. It was felt by several members that no attempt should be made to utilize the park this summer, but to give the seeding every opportunity to become strong before it is used.

A communication from Salmon Arm re formation of a league to include that point and Kamloops will be replied to, with the secretary pointing out that Salmon Arm are eligible for the Spencer Cup competition, but that the scope of the competition eliminated Kamloops.

The Executive were empowered to draw up a schedule for the Spencer Cup matches, and to advise Salmon Arm that their entry will be accepted. It was also decided to recommend to the executive that Spencer Cup matches with Vernon on Saturdays be avoided, owing to the impossibility of Kelowna fielding a representative team on that day of the week.

A schedule will also be drawn up for the District League, May 5 being suggested as the opening date. It is expected that a Vancouver eleven, Brentwood College, and others will appear in Kelowna this year, and a suggestion that an effort be made to send a combined Okanagan team to the British Columbia Cricket Week at Vancouver during the early part of August was received favourably.

A hearty vote of thanks was tendered to F. M. Kevill, retiring secretary, who had assisted the association since its inception, and who was one of those responsible in a large measure for the revival of cricket four years ago. Mr. Kevill's untiring work was alluded to, and his efforts to spread interest had met with great success. A vote of thanks was also accorded the press for the publicity which had played its part in keeping cricket to the fore.

### Occidentals Elect Officers

At an enthusiastic meeting of the Occidental Cricket Club held on Tuesday evening, officers for the season were selected as follows: President, Leopold Hayes; Vice-President, P. Cookson; Captain, A. K. Loyd; Vice-Captain, W. J. Coe; Secretary-Treasurer, J. V. Ablett. The Secretary was appointed representative on the Kelowna and District Association executive and, with the appointment of the Occidental's representative, the District Association executive will meet on Monday evening to draw up a schedule for the season, with the first match being slated for May 5. The Occidentals have several new players in view, and will make a strong bid to retain the honours won during the past two years as District League champions.

### BASKETBALL

Final In Western Canada Championship

Mowing down opposition at Regina and Lethbridge, champions respectively of Saskatchewan and Alberta, Winnipeg, Toilers repeated their triumphous journey to British Columbia of 1927, and met New Westminster Adanacs, provincial champions, at the Queen's Park arena last night in the first of a two-game series for the Western Canadian championship and the right to enter the Canadian final against the Eastern winners. The second game will be played tomorrow night, total points to decide the winners.

In 1927, Toilers met Kamloops, British Columbia champions, and, after losing the first game at the Main Line centre, romped through in the second fixture with sufficient points to win the round. The Toilers returned to Winnipeg, where they met the eastern finalists, Windsor, Warren Gayton was a member of the Toilers that season.

The winners of the Toilers-Adanacs series will stage the Canadian final on their own floor against the Eastern contenders, and in the meeting of the Winnipeg team with the Adanacs, there will be a hard battle, as the Toilers put the Adanacs out of the Canadian title series three years ago in the semi-final at Winnipeg. The New Westminster boys have a better balanced team this year than in their previous meeting, and as the Canadian title has never been won west of Winnipeg, the Adanacs have an opportunity this year which may not return again for some years.

### BASEBALL

Playing Field Is Outstanding Need

Wanted—a baseball field! This is the question which is causing local baseball officials no end of worry at the present moment, with the opening of the season rapidly approaching. With the Park undergoing improvements which will provide a better field than has been previously available, but not suitable for use this year, and the property on Harvey Avenue used last year, known as Rose's field, which has been held for a school site, being resurveyed into lots, the baseballers are in the position of being ready to open both the District and Valley Leagues, but without a ground on which to stage their contests.

With the stimulus given the game last year, and the work put in by several enthusiasts to revive this branch of sport, it seems unfortunate that a suitable playing ground cannot be secured up to the time of writing. Neither of the local teams are financially in a position to rent, except at a nominal figure, and with the season only extending from May 1 to July 1, unless a close-in situation is secured, the returns from collections at games would not warrant any great expense in this direction. The Valley League team operated at a loss last year, and it was hoped to recuperate the deficit this season.

Both the Hornets and Ramblers, Kelowna's entries in the District League, have felt the departure from town of several of their best players, and there will be ample opportunity for youngsters or any one who wishes to play ball to secure a place on the teams. The Hornets, who are composed of members of the Basketball Club, have several intermediates to draw from to replace the vacancies caused by the departure of Henderson, McLeod, Ralston and Brown, while the Ramblers will require several players to fill the holes caused by the absence of Buse, Rainbow, Ryan and Keep.

There will be a meeting of the Ramblers team in Chapin's tomorrow night (Friday), April 19th, at which all players of last year's team and any others who are not members of the Basketball Club are invited to attend in order that some organization may be made for the season.

On Saturday evening there will be a meeting of the Central Okanagan League at Campbell & Lewis' store on Pendozi Street, to draw up a schedule at which representatives of the five teams entered, Oyanima, Rutland, Ramblers, Hornets and Glenmore-Benvoulin will attend.

### ORANGE PLAYERS PRESENT FARCE COMEDY

Capacity Audience Enjoys "Ici On Parle Français"

A packed house greeted the Orange Players on Thursday evening last when a concert and farce comedy was staged in the Orange Hall. The comedy "Ici on parle Français," was exceedingly well enacted by a cast of seven players, and several of the concert numbers evoked considerable applause. Ably directed by Mr. L. Harrison, the affair was so successful that several requests were made for a second performance at a later date. The concert, however, will not be repeated.

The programme began with an euphonium solo by Mr. H. Cramp, and this was followed by a collection of sea chanteys given by "The watch on deck," a number of youthful vocalists who entertained quite well.

Humorous dialogues by Mr. Bert Johnston were most amusing and well merited applause was given at the conclusion of his efforts. His Chinese dialogue was exceptionally comical, and the encore of "The Jew at the wedding" was no less funny.

Songs which found favour with the audience were rendered in a pleasing manner by Mrs. Blair, Mr. Roberts, Mr. A. C. Poole, Mr. T. Griffith, and a duet by the Misses Jansen.

Recitations were given by Mr. L. Harrison and Mr. R. Buckley. Mr. Harrison's first number was "Mandala," followed by a humorous encore of "Noah and the donkey," which was well received. "Seven bells," by Mr. Buckley, was also accorded enthusiastic applause.

A Scottish dance was appropriately given by "The Quartette," which consisted of the Misses Harvey, Madeline Poole and Clair Roberts, with violin accompaniment by Mr. Billy Murray.

Prolonged applause followed the presentation of "Ici on parle Français," the humorous situations being conducive to much mirth. The cast was composed of Misses R. Wilson, D. Flincoft, Mrs. Woodford, Messrs. C. E. Campbell, Bert Johnston and L. Harrison, all of whom turned in performances reflecting credit upon their histrionic ability.

### BALDWIN SLAMS HIS POLITICAL OPPONENTS

LONDON, Apr. 18.—Premier Baldwin, speaking before a big "family party" of Conservatives at Drury Lane Theatre today, outlined the policies on which the Conservative party will seek a renewal of office at the general election on May 30th. In a long-expected pronouncement, he defended his own administration and belittled the attacks of Lloyd George and Ramsay MacDonald.

The Premier began his speech with a sharp crack at the Liberal party, which Mr. Lloyd George, its leader, had characterized as "a party of promises."

"I accept that and am not a competitor," Mr. Baldwin said. "We are a party of performers."

The Premier asserted that the nation was recovering its competitive power and that its trade was definitely improving.
